

**TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE**

**FISCAL NOTE**

**HB 2244 - SB 2237**

March 30, 2009

**SUMMARY OF BILL:** Authorizes any person to make installment payments to the Department of Safety (DOS) for portions of reinstatement fees or restoration fees exceeding \$200. Prohibits the DOS from disclosing a person's social security number when the social security number is on an accident report. Requires the collection of a \$100 fee prior to the issuance of restricted driver licenses.

**ESTIMATED FISCAL IMPACT:**

**Increase State Revenue - \$890,000**

Assumptions:

- According to DOS, the Department currently processes installment payments and adheres to a practice of not disclosing individual's social security numbers.
- According to DOS, approximately 8,900 restricted driver licenses were issued in FY07-08.
- The number of restricted driver licenses issued remains constant in subsequent years.
- DOS indicates that the \$100 proposed fee for obtaining a restricted driver license is in addition to fees charged under current law.
- The increase to state revenue is estimated to be \$890,000 per year ( $8,900 \times \$100 = \$890,000$ ).
